

DANVILLE SCHOOL

PRINCIPAL SEARCH SCREENING COMMITTEE

Greetings Danville School District Community,

My name is Dan French. I have been hired by the Danville School District as a search consultant to assist the District with hiring its next principal. I am a former Vermont superintendent and principal, and currently lead the School Leadership Graduate Program at Saint Michael's College.

The search process will include a screening committee of approximately 10 individuals whose job will be to identify finalist candidate(s). I will be leading and organizing the screening committee's work.

If you are interested in serving on the screening committee, please send me an email with a statement of interest to danielmfrench@gmail.com. I am looking for participants who can think broadly about the future needs of the school, and who can commit to participate in all of the committee's work including abiding by its strict confidentiality guidelines. Tentative dates for screening committee meetings include 4/2, 4/4, 4/9, and 4/11 starting in the late afternoon and into the evening.

Thank you in advance for your interest in participating in this important process!

Daniel M. French, Ed.D.
